Le tracce del treno della vita. Tra arte e documenti per non dimenticare

## Details

Acribia Cultural Association.

Adi Kichelmacher, an Israeli artist who has lived in Italy for years, has created an exhibition of works and documents on the history of his family. Kichelmacher describes '900 Europe through persecutions, daily harassment of Jews, racial laws and deportations to Nazi death camps.

Opening December 1, 5:00 pm, free entry.
